Ministry of Defence
Department of Defence Production

South Block, New Delhi, 28th Jan, 2011

ORDER

After the transfer of the work of indigenization to the services, the responsibility for registration of vendors which was with DGQA was also transferred to the respective procurement agencies of the services vide MoD order dated 12.4.2010. The Armed Forces HQrs have requested the Department for a review of the decision, and have proposed that DGQA may continue the task of registration of firms as a central agency.

2. The matter has been reviewed in the Department and taking into account the difficulties being faced by the procurement agencies, it has been decided as follows :

- (a) DGQA will take up the work of vendor assessment and registration as hitherto fore.
- (b) Out of the manpower transferred to DGEME in connection with indigenization activity, a contingent of manpower duly calculated will be transferred back to DGQA to carry out the vendor registration/capacity assessment functions.
- (c) As most of the procurement is by open tender, DGQA will carry out capacity assessment/registration of only those firms which have responded to the tenders and who have not been registered earlier.

3. This has the approval of Raksha Mantri.
